7. Heads of institutions are requested to see, before the certificate at the foot of the application is signed by them, that their institution has been recognised by competent authority, as fitted to impart instruction in the *Technical* subjects and *for* the grades in them brought up by their *pupils*.

N.B.—Heads of institutions recognised for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical Examinations.

8. All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications) by the head of that institution, no applications of any *private* candidates being enclosed with these applications.

9. Each candidate must, wherever the syllabus requires it, submit, before the 31st August, the necessary drawings, plans surveys, field books, estimates, or other "certified works." Each of the drawings, etc., submitted must have entered on it the name of the candidate, the subject and grade of examination for which he appears and the centre at which he appears, and must be certified to be his own unaided work by the head of the institution or office to which he belongs, by an officer of the Public Works Department not below the rank of Supervisor, by a District Board Engineer, by the Engineer of the Corporation of Madras, or by an Engineer of any Railway Company.

* The examinations in Tailoring (Elementary and Intermediate Grades) will be conducted according to the Syllabus revised up to the 24th February 1913.

Candidates are specially warned that no certified works will be valued by examiners unless the certificate of authorship is quite satisfactory, and specifies clearly the period of time occupied in the execution of each work and unless the examiners are satisfied as to the identity and qualifications of the persons granting the certificates. Further, if any suspicion attaches to any certified works submitted by pupils from Technical Schools the Commissioner will be compelled to recommend to the authority concerned the withdrawal of the departmental privileges enjoyed by the schools. Private candidates, whose certified works are in any way suspected by the examiners, will be liable to have their examination invalidated and also to be debarred from appearing for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit.

It must be particularly noted that the drawings, etc., of each candidate should be submitted in a separate roll for each subject and for each grade (*i.e.* the drawings, etc., for a number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll. Also, on the outside of each roll for each subject, each candidate should enter the following particulars in ink:—

(1) Name of candidate,
(2) Place of examination,
(3) Subject,
(4) Grade, and
(5) Total number of drawings in each roll.

As the application has to be kept in the office and as the drawings, etc., have to be forwarded to the examiners, the application itself should be sent in a *separate* cover and *not rolled up* with the drawings, etc.

A candidate who failed, or having applied did not appear, at a previous examination, must submit fresh drawings, etc. The drawings, etc., submitted will on no account be returned.

10. Candidates must send in their applications made out in English on *printed forms so that they reach the Commissioner's office on or before the 31st August, after which date no applications will be received.* Only one form of application should be used by each candidate, although he may bring up several subjects and come up for different grades.

11. Candidates in the mofussil should obtain the required application forms from the treasury of the taluk in which they are resident or of the district to which they belong. Candidates in the Native States of Mysore, Travancore and Cochin should obtain them from the Honourable the Resident's Treasury. Candidates who are residents of Madras should apply for application forms at the office of the Commissioner for Government Examinations, Old College, Nungambaukam, and not to the Collector of Madras.

N.B.—No notice will be taken of any application from candidates in the mofussil requesting to be supplied with application forms from this office.

12. The following is the scale of fees to be paid by candidates for admission to the examinations:—

	Elementary	Intermediate.	Advanced.
	Rs.	Rs.	Rs.
For each subject	3	5	10

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

13. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras, attached to the application, which must in every case reach the Commissioner's office on or before the 31st August. *On no account will the fee be received in the Commissioner's office whether sent in cash or by Post Office order. No application will be registered unless it reaches the Commissioner's office, by the date prescribed.*

NOTE.—*At Madras, in the case of all pupils, the fee should be collected by the Headmaster and sent in a lump sum to the Bank of Madras together with two lists of the pupils, one of which will be returned by the Bank and the other signed and returned to the Headmaster. This latter list should be forwarded to the office along with the applications of the candidates. The necessary forms for this purpose will be supplied by this office to Headmasters on application.*

14. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, the receipt for the fee paid *being securely fastened to it.*

☞Candidates are warned that the application itself *should not be enclosed* with any drawings plans, surveys, field books, estimates, or other "certified works" that may be sent, but should be submitted in a separate cover.

Such post cards will be returned to them in due course with the "Received" stamp of the office impressed upon them. No other form of acknowledgment except that required by the postal rules regarding registered covers can possibly be given nor will any notice be taken of any letter from any candidate inquiring whether his application has been received. *Insufficiently stamped covers will be rejected.*

GOVERNMENT LUNATIC ASYLUM, MADRAS.

TENDER FOR SUPPLY OF ARTICLES OF DIET, ETC.

NOTICE is hereby given that sealed tenders in duplicate will be received up to 9-30 A.M. on Friday, 11th September 1914, by the Superintendent, Government Lunatic Asylum, Madras, for the supply of the following articles :—

Diet, storable.—Consists of articles which must be supplied in bulk within seven days after acceptance of tender. Payment will be made on bills as soon after receipt as possible.

2. The articles required are detailed in the classified schedule annexed, and information as to samples, etc., may be had on personal application at the Asylum.

3. A separate tender must be sent in for each article.

4. Tenders will be opened by the Superintendent of the Government Lunatic Asylum at the appointed time in the presence of those interested who may choose to attend.

5. Tenders to be superscribed "Diet, Storable," and on the covers the words "Tenders for Asylum supplies" written. Each tender must contain not only the rates, but the total value of each

item of supply entered in a separate column, the items in which must be totalled up showing the aggregate value of each entire tender.

6. Each tender must be accompanied by a deposit (in Government promissory notes or Bank receipts) as earnest-money of the amount noted against each article. When several articles are tendered for, one Bank receipt for the total amount of earnest-money will be received. In default of such deposit the tender will be rejected, nor will any tender be received after the time fixed for the opening of tenders. *No cash will be received.* This deposit will be returned to unsuccessful tenderers immediately and to the others as soon as they have made their supplies.

7. No person making a tender shall be allowed to withdraw his tender for the space of thirty days from the date thereof, and, in the event of his so doing, his deposit shall be forfeited to Government.

8. No advance of cash be made to the tenderer.

9. Bills on presentation will be passed by the Deputy Accountant-General for payment at the Madras Bank after the delivery of the articles.

10. The Superintendent reserves to himself the right to decline or accept the tender for any one or more of the articles tendered for by the successful tenderer without assigning any reason for so doing.

11. The Superintendent also reserves to himself the right of rejecting tenders without assigning any reason for so doing.

12. Government promissory notes lodged as earnest-money *shall not be endorsed over to the Superintendent but shall remain in the name of the depositor.* Government will appropriate or cancel the notes as per G.O. No. 2458, dated 31st March 1880, authority to that effect being duly entered in the contract or other document executed by the depositor.

13. With reference to the stipulations contained in the preceding paragraph No. 12, the tenderer should attach a certificate to his schedule in the following effect:—

"*I, the tenderer, agree to have the earnest money, if in Government promissory notes or Bank receipts, confiscated to Government in case of my failure to undertake the contract.*"

14. No article shall be supplied to the Asylum except on authority signed by the Superintendent or by some responsible person authorised by him in writing to do so.

15. Samples are not required unless called for. When called for, they must be sent in within two days. If approved and tender accepted, the samples received will be counted as part of the supply. If rejected, the samples will be paid for at the tender rates. Tenderers are distinctly to understand that, if the tender be accepted, the balance of the article or articles required must be in every way equal to the approved sample. The opinion of the Superintendent to be final on this point.
